

EXECUTIVE SUMMARY

Prolific Indie Developer and Principal Mobile Software Engineer with proven expertise architecting, building, and publishing **16+ production applications on the Apple App Store**. Full-stack mobile specialist delivering 0-to-1 products across Swift/iOS, React Native/Capacitor, real-time Firebase sync, local-first offline storage, AI vision processing, StoreKit monetization, and COPPA child-privacy compliance. Known for rapid execution from concept to App Store distribution.

TECHNICAL SKILLS

Mobile & Frontend:	Swift, SwiftUI, UIKit, React Native, TypeScript, React, Capacitor, Ionic, JavaScript (ES6+), HTML5/CSS3, Tailwind CSS
Cloud & Backend:	Firebase (Firestore, Cloud Functions, Auth, Storage), Real-time Sync, RESTful APIs, WebSockets, Node.js
Architecture & Core:	Local-First State, Offline Caching, 6-Digit Device Pairing, Push Notifications (APNs), Biometrics (Face ID)
StoreKit & Monetization:	Apple In-App Purchases (Subscriptions & Lifetime Passes), App Store Connect, TestFlight CI/CD, ASO, COPPA
AI & Media Tools:	Computer Vision & Colorimetry, Background Matting, Psychometric RIASEC Engines, Audio/Speech APIs

PROFESSIONAL EXPERIENCE

Florithm LLC — Founder & Lead Mobile Software Engineer

2023 – Present | United States

- 0-to-1 Product Lifecycle:** Directed end-to-end architecture, UI/UX design, development, QA testing, App Store submission, and monetization for 16 iOS apps.
- Real-Time Cloud Synchronization:** Built resilient Firebase Firestore backends with optimistic state updates, sub-second latency, and offline persistence.
- Child Privacy & COPPA Compliance:** Architected zero-friction 6-digit device pairing enabling kids to link devices without requiring emails or passwords.
- Monetization Architecture:** Implemented Apple StoreKit pipelines supporting freemium models, tiered subscriptions, and lifetime unlocks with receipt verification.
- UI/UX Design Systems:** Designed sleek, modern interfaces with fluid micro-animations adhering strictly to Apple Human Interface Guidelines (HIG).

FLAGSHIP APPLICATIONS & ENGINEERING HIGHLIGHTS

The Family Bank — Kids Money & Allowance Bank

Finance · Education

Connected virtual banking simulation teaching children compound interest, chores, and deliberate spending.

- Compound Interest Engine:** Developed automated daily interest accrual algorithms with parent-defined APY.
- Chore Bounties & Approvals:** Built parent verification portal with custom bonuses, child notes, and one-tap payouts.
- 6-Digit Device Pairing:** Cryptographic pairing protocol linking child hardware directly to the ledger without child credentials.

PlanCrew

Social · Productivity

All-in-one group chat & coordination platform for crews and clubs.

- Real-time chat with threaded replies, reactions, and media sharing.
- Shared calendar events, itineraries, and collaborative checklists.

My Color Palette: AI Stylist

Fashion Tech · AI

AI-driven personal color analysis matching users to 12 seasonal palettes.

- Client-side colorimetric analysis processing skin undertones and hair hue.
- Wardrobe palette visualizers and personalized style recommendations.

Nexus — Career Discovery

Education · Career

Psychometric orientation tool utilizing the Holland Code (RIASEC).

- 36-question scoring engine mapping personality traits to career paths.
- Detailed psychological archetype reports with match metrics.

Sparking Joy & TapTapTask

Lifestyle · Gamification

Mindful 5-stage decluttering & gamified task rewards tools.

- Category-by-category decluttering workflows and streak tracking.
- Gamified family chore charts with redeemable reward points.

PUBLISHED IOS APPLICATION PORTFOLIO (16 APPS)

Category	Published iOS Applications (App Store)
Finance & Family	The Family Bank (Kids Money & Allowance Bank)
Productivity & Tools	ScheduleAround, TapTapTask, Countdowns (Visual Timers), Intervals (Count-up Timer), Plateful+
Fashion & Creative	My Color Palette: AI Stylist, Profile Picture Maker: Avatars
Education & Literacy	Nexus (Career Discovery), RightRead (K-6 Leveled Books), Phonics Cards (5,000+ words), Read with Booki
Social & Games	PlanCrew (Group Chat & Plans), Fleet Keeper+ (Space Arcade), Fish or Bait (Retro Survival), Am I a Narcissist?
